

1.0 Percent Participation Justification Form 2018–19

The *Every Student Succeeds Act (ESSA)* requires each district and charter school to complete and submit a justification when it anticipates exceeding 1.0 percent of students assessed in a subject area (i.e., English Language Arts/Reading, Mathematics, and/or Science) with the NCEXTEND1 alternate assessment. Justifications from each district and charter school will be reviewed by the North Carolina Department of Public Instruction (NCDPI), and follow up actions will be determined based on the information found in the justification document. Staff from the Exceptional Children and Accountability Divisions in each district and charter school should collaborate to provide the following information on the justification document. Responses to Sections 1–4 and the designated signatures are required; it is optional to include additional information (see page 5). This justification document will be publicly posted. As such, the document **must not contain any personally identifiable information**. If necessary, additional pages may be attached to this form.
